53RD

**ANNUAL
GENERAL**

MEETING & CONFERENCE

THEME:

**RESILIENT ENGINEERING FOR
NATIONAL DEVELOPMENT**

The Ghana Institution of Engineering (GhIE) invites you to the 53rd Annual General Meeting and Conference that will be held from **27th March, 2023 to 1st April, 2023** at the Best Western Plus Atlantic Hotel in Takoradi, Ghana.

This conference will provide a common platform for all practitioners and affiliates from diverse engineering and related backgrounds to share ideas, experiences, and network.

The theme for the conference is **“Resilient Engineering for National Development”** and it seeks to explore how engineering practitioners merge their knowledge and innovation to engineer and construct projects to withstand the test of time, incorporating and balancing costs through the cycles of the project.

The conference sub-themes are:

- City Planning, Housing and Flooding Challenges
- Sustainable Infrastructure Development (Energy, Roads, Water, etc.)
- Engineering Education for Resilient Development
- Ethical Engineering Practices
- Sustainable Mining Practices
- Financing Sustainable Projects
- Women in Engineering for Sustainable Development

KEY ACTIVITIES

- Address by Keynote Speakers
- Technical Presentations
- Poster Presentations
- Panel Sessions
- Technical Tours
- Network Opportunities
- Annual General Meeting

ABSTRACT AND PAPER SUBMISSIONS:

GhIE is pleased to invite all members and affiliates including scientists, academics, and students to submit abstracts and/or papers of their original work for oral or poster presentation at the conference. The submissions should be on any of the conference sub-themes or related areas and highlight ways in which resilient engineering practices could help in addressing the UN sustainable development goals.

Abstracts should be in English Language, not more than **300 words** and must be submitted via email to **journal@ghie.org.gh** using the attached Abstract Template. All accepted abstracts for the oral and poster presentations would be published in the conference programme.

Papers should not be more than **7500 words**, prepared following the guidelines in the attached Paper Template, and submitted online at **www.ghiejournal.com**.

All papers shall go through peer reviews, and authors will be required to address review comments (if required) prior to paper acceptance and publication in a special issue of the Journal of the Ghana Institution of Engineering (JGhIE).
