

3rd IRF Africa Regional Congress & Exhibition “Delivering Tools for Mobility & Regional Connectivity” Accra, Ghana

**25 April 2023: Certified Training Workshops
26 – 28 April 2023: IRF Africa Regional Congress & Exhibition**

Background

Across the African continent, the end of the pandemic has witnessed a surge in road construction projects which are expected to boost regional integration by reducing transit times, facilitating trade and cross-border movement of people, opening up access to tourism, and stimulating the economy.

Against this backdrop, achieving Africa’s regional connectivity vision remains hinged on delivering climate-resilient transportation corridors, achieving efficiency gains through improved procurement, financing and contract management, and ensuring a higher level of service and safety to all road users.

The 3rd IRF Africa Regional Congress & Exhibition pursues the objective of exploring a range of policies and mechanisms aimed at offering policy makers practical options to ensure road & transportation program continue supporting the region’s sustainable development goals and socio-economic objectives.
